BACKGROUND INFORMATION

Provide a brief outline of your experience/education/interest in the Subdivision and Development Appeal Board.

Well, we need to be proactive in our community if we want to have an understanding of its needs and how we can develop holistically with our neighbors, businesses and world around us. I have travelled a lot of the world + am fascinated by how humans live together.

Why do you wish to service on this committee?

I have been involved in my community for many years on various boards, and, as an entrepreneur, I have experience with people, problem solving, and finding innovative ways to face problems.

I have been a Kneehill County resident for almost 30 years.
