

Torrington & District Agricultural Society

June 27, 2025

To Carolyn Van der Kuil, Kneehill County

The Torrington & District Agricultural Society is in support of the Kneehill Area Recreational Hockey Association installing a cell phone booster in the Ron Gorr Memorial Arena in Torrington to increase cell service in the case of an emergency on the ice surface. We wish them well in their pursuit to find funds to have this project implemented.

Thank you for your consideration,
